Chamber Member Resources

OCCC Small Business Management Graduates

The eighteenth graduation of the Small Business Management program (SBM) was held at Pacific Shores Motor Coach Resort in Newport on Tuesday, June 22, with Lincoln City Chamber members in the graduating class.

The SBM program was founded in 1992 as part of the Small Business Development Center at Oregon Coast Community College. Since then over 250 business owners have graduated from the program, a majority of which are still in business.

Lincoln City Chamber of Commerce graduating members are Karen Richards, Nelscott Wine Shop, and Dave Price and Niki Price, both of Oregon Coast Today. Congratulations and Good job!

SCORE Counselors to America's Small Business Reach Out...

The SCORE association is an independent national 501(c) (3) non-profit association. It is dedicated to education for the entrepreneur as well as the established businesses. SCORE members are trained to serve as counselors, advisors, and mentors to aspiring entrepreneurs and current business owners. SCORE counselors value business privacy and all counseling is confidential. These services are offered free as a community service. SCORE is a resource partner with the U.S. Small Business Administration.

SCORE volunteers offer their skill and expertise to all business clients. Counseling is arranged by the counselor with the business client at a mutually convenient time and location. SCORE

counseling is delivered in one of three ways. The most common way is direct one-on-one counseling at the chapter office or at a mutually agreeable con

venient location such as the local library or local chamber of commerce. The second way is to meet with the business owner or business manager at their place of business. This can be advantageous to view a business operation to assess the issue that needs to be discussed. SCORE's third way of delivering counseling is via email on our National SCORE Office web site.

SCORE counseling is scaled to the business topic and depth that needs to be discussed with the business client. Frequently, one SCORE counselor will meet with the business client for the first counseling session to clarify and define the needs. Multiple follow-on sessions will include other SCORE counselors as a team who have the skill and experience best suited to address the business client needs at that time. Multiple sessions are very common and the relationship with the business client may continue for a year or more.

Our goal for an existing business is to solve the current issue and look for ways to expand/improve the business

You can sign up for free SCORE business counseling at www.edmiscore.org/0460.

Refer to National SCORE Association web site at www.SCORE.org and the local Salem SCORE Chapter 460 web site at www.Salem.scorechapter.org for complete information.

Get The Drop On Rx Drug Abuse and Pollution!

The Lincoln City Police Department is sponsoring a pilot project, the **Rx Drug Take Back Project**, as a way to provide people with a safe, convenient and environmentally sound way of disposing of unwanted or expired medications, both prescription and non-prescription. Help fight water pollution, please don't flush.

Prescription drug abuse is the fastest growing and most alarming type of drug abuse, becoming a silent epidemic among both youth and older adults. Prevent accidental drug poisoning and overdose especially among children, older adults and pets.

Anyone can bring their Rx drugs to the Police Dept. and drop them into the designated drop box at the police department, 1503 SE E. Devils Lake Rd., Lincoln City.

Baby Buzz...

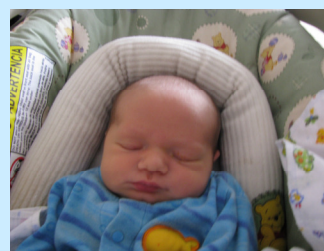

Former chamber director Allyson Longueira and Barton Grover Howe welcomed their baby daughter on June 13.

Volunteer Buzz

The Annual Membership Meeting has come and gone and for those of you who missed it, it was an especially good time at the Inn at Spanish Head. We chamber volunteers were so grateful to be honored and acknowledged by the staff, members, and Board members. We all are happy to volunteer our services, and you folks are the ones who make us happy to do what we do. Thank you!

More Baby Buzz... Our very own volunteer, Angie Foster, gave birth on June 30 to Devon Michael Lee Foster who weighed in at 8 lbs. 10 oz. and was 21 inches long. Mother and baby are doing well and we hope to have Angie back with us soon.

Dare I say it? Summer has finally arrived! At least, as of this writing, that is. Taking advantage of the sunshine found me, as well as throngs of residents and visitors, at the Lincoln City Summer Kite Festival and the Farmer's Market both, enjoying the sunshine and totally awesome weather, beautiful kites, the crafts and veggies. And wasn't the Fourth a great event? What a wonderful place we live!

Speaking of our fair city, did you see the glorious array of wildflowers adorning the bank under the Lincoln City sign at the north end of town opposite the Neotsu Post Office? Whoever is responsible for broadcasting those seeds, THANK YOU! For visitors and residents alike, it is such a nice welcome to Lincoln City.

New Volunteer Doris Magiera has joined us in the chamber office. Doris is well-known for her many years as a Chamber Ambassador and her work at the Inn at Spanish head. We are so pleased to have her join us.

Your Lincoln City Chamber of Commerce Committee News and More

Committee News

Since we are at the beginning of our new fiscal year with a new Chamber Board of Directors our Committees are also welcoming new chairs and members to their committees. As a result I have given them the month off from the task of creating an article for this month's Trade Winds. I will however give you meeting information so that you can plan to participate with the committee that suits you and your talents.

Ambassador Committee

Meets the 2nd Tuesday of Every Month at 7:45am—Locations Vary.

The Ambassador Committee is the public relations arm of the Lincoln City Chamber of Commerce. They meet and greet new businesses, support existing businesses, and promote participation in the Chamber. They do this by actively participating in chamber events such as Ribbon Cutting Ceremonies, and Business After Hours, and also community events such as Apples for Teachers, Food Drives, and so many others. This committee is a great way to be part of our community and ALSO a great way to promote your business. There is no other committee that has this kind of exposure.

PLAN TO PARTICIPATE!

Business Development Committee

Under Construction and Revitalization

This committee is currently under restructuring with their new board member liaison to ensure the Program of Work supports and facilitates progress relating to business growth and sustain-

ability in Lincoln City. We will keep you updated with the progress and will contact you for your support.

PLAN TO PARTICIPATE!

Education Committee

Meets the 4th Friday of Every other Month beginning January 7:00am—Locations Vary.

The Program of Work for the Education Committee is to provide supportive education and informational resources designed to increase the success of our local businesses—you, our members. They are the diligent workers that provide our lunch forum speakers (which is no small task since we have two lunch forums per month), as well as provide additional opportunities throughout the year.

This month they will be meeting at 7:00am at Hilltop Inn Family Dining on Friday, July 23rd. **During this meeting they are also inviting those of you who are interested in being on the**

Government Affairs Committee

In the most recent past this committee has not been active. The original Program of Work for the Government Affairs Committee was to provide a voice for the business community on selected issues which impact businesses and our local economy.

While we man this committee with you, our members, the scope of this committee will be re-evaluated to best serve our businesses here in Lincoln City.

PLAN TO PARTICIPATE!

Events Committee

This committee will work closely with the Chamber Board, Chamber office staff,

and other committees to provide support in the areas of fundraising, and marketing events. They will also be the group of hard workers looking to you, our members to encourage participation.

PLAN TO PARTICIPATE!

**ARE YOU MAKING FULL USE OF
WWW.LCCHAMBER.COM?**

When was the last time you visited the Lincoln City Chamber of Commerce's website?

Although we have designed the website to be user friendly for visitors looking for you, our members, it is also a multi-functional tool for people looking to relocate, start a new business, and provide resources for our existing businesses. It is also a great place to look at the Chamber Calendar of Events to see what Chamber events are in the future.

While we are still working to populate the site with relevant information and formatting it for usability and visibility we are very proud of the work that has been put into it thus far.

And, check out the advertising opportunities at the top of the pages. So far we have had a great number of hits on those existing ads.

This website will never be truly finished as we will continually address the needs of our users.

Click on it! Check it out! Let us know your thoughts, comments, ideas.

Linda's Last Lines

As I reflect on where we've been as a Chamber and where we're going, I look at my personal experience here at the Chamber. Where "I Had Been" and "Where I Am Going."

When I sent in my resume to the Chamber in consideration for the office manager job I had not worked *traditionally* for close to 10 years. I volunteered here and there but mostly I traveled to visit kids, grandkids, parents, friends, oh, and my husband who, for a while, was stuck in Chicago. I had lived in the Lincoln City area for close to 6 years and knew no one. Pretty crazy if you think about it and you know my personality.

So, now that I've been here for a little over a year—yes, it's just been 16 months - here are the benefits of being associated with the Lincoln City Chamber of Commerce, according to me:

Exposure—

- I am exposed, on a daily basis, to some of the most interesting, amazing, and generous people I have ever met.

Networking Opportunities -

- I have networked and through that networking have made numerous acquaintances and friends through Lunch Forums, Business After Hours, the Annual Membership Meetings, the Business Expo, the Ribbon Cuttings, the Holiday Dinner Toy & Food Drive, and working with devoted Committee members.

Advertising Opportunities -

- I advertise what I can do for you on a monthly, weekly, daily basis through emails, the Trade Winds newsletter, and by Keith Altomare on KBCH 1400AM radio who likes to throw my name around.

I have had a great time! And I plan on continuing to have a great time!

Oh, there's still space left on the page. Let me add this:

If you missed the Annual Membership Dinner Meeting on July 8, 2010, then you missed something that was said by Bob Scull, our new Chamber Board President Elect. It was short and to the point. To paraphrase he said something like, "You'll get out of the Chamber what you put in."
